

Are you a motivated and energetic individual with a passion for helping people see clearly? We are seeking a **Licensed Optician** or someone with **extensive experience** in the optical field to join our dynamic team!

Key Responsibilities:

- **Optical Sales:** Assist patients in selecting eyewear that suits their needs, providing expert advice on frames, lenses, and coatings.
- **Patient Check-in:** Greet and check in patients, direct bill to insurance providers, ensuring all necessary paperwork and information is collected accurately
- **Pre-testing:** Perform preliminary tests such as NCT, imaging, visual field testing, auto refraction and other skills.
- **Lab Duties:** Handle basic lab tasks, including lens tracing and frame adjustments.
- **General Duties:** Support in maintaining a smooth and efficient clinic environment, including managing inventory, processing orders, and ensuring excellent customer service.

Qualifications:

- **Licensed Optician** (preferred) or **extensive experience** in the optical field.
- Excellent communication and interpersonal skills.
- Energetic, team-oriented, and detail-oriented with a passion for patient care.
- Ability to work in a fast-paced environment and multitask effectively.
- Strong organizational skills and experience with optical equipment

What We Offer:

- Competitive pay.
- A supportive and positive team environment.
- Opportunity for career growth and development.

If you are a dedicated professional with a strong background in optics and a desire to make a difference in people's lives, we would love to hear from you! Please include your cover letter and resume in confidence.

This is a full-time position for the right Candidate

Salary is competitive, based on experience. From \$25/hour.
